Re-run Program

Advanced International Trade Finance Workshop

(A comprehensive legal and risk review of UCP 600 and practical solutions to the pitfalls of your trade finance products)

A survival kit for

**Bankers (Risk Management, Product, Relationship, Operations & In-house Counsel),
Lawyers, Commodities Traders, Importers & Exporters**

Unique features:

1. Unlike other introductory courses, this advanced program will put you into the position of the transaction parties and the facilitators will guide you through each critical decision making process step-by-step.
2. After identifying the issues under various case scenarios, you will be provided with the relevant legal principles and ICC guidelines in analyzing the issues by way of group discussions.
3. You will then bring along all the risk mitigating factors, documentation defects, suggested amendments and, more importantly, practical handling approach back to your office.

Highlights:

1. The latest court cases on UCP 600 that will give you insights into the best L/C law and practice
2. The real trade dispute cases personally handled by the two facilitators will assist you to prevent similar pitfalls and remedy problems in the most cost- and time-effective manner
3. The most controversial articles of UCP 600 after its implementation since 1 July 2007 and corresponding remedial actions required
4. How to identify the pitfalls and mitigate the inherent risks of the following popular trade finance products through proper documentation:
 - a. L/C reissuance (as issuing bank or processing agent / legal status of the applicant bank / conflict of law / typical deficiencies of L/C terms and conditions)
 - b. L/C refinancing (disclosed or undisclosed reimbursing bank / applicability of URR 725 / agreement by SWIFT / local tax of the issuing bank's country)
 - c. Forfaiting (assignment v. negotiation / injunction risk / with or without recourse)
 - d. Risk participation (funded or unfunded / pros and cons compared with forfaiting)
 - e. Silent confirmation (legality / nominated bank status v. assignee / proper structure of such agreement)
 - f. L/C issuance application, export L/C processing application and covering letters
5. Classic trade fraud, injunction and detention of cargo cases in Hong Kong, China, France and Belgium.
