- Income Tax

The firm was established in 1976 by Mr. Ved Jain, a renowned expert on taxation matters. He has supported various clients from assessments to High Courts. Having an experience of more than 35 years in the field of taxation, he has been a regular advisor to the Government of India on provisions of Direct Taxes including Transfer Pricing and Corporate Law. An avid writer, he has been regularly contributing articles to various reputed journals and has written various books on critical matters of taxation.

Doing Business in India: This book has been prepared by a group of our in house senior professionals in the fields of economic research, taxation and entry strategies. The main idea is to provide a birds eye view of the economy and the emerging business opportunities in the country as it aims to become a \$ 5 trillion economy by 2024.
